**Subject:** RE: September LCP Meeting  
**Attachments:** Directions to Linden.doc

Thank you. I am assuming a 10:00 start. We will have lunch available under the terms we discussed yesterday. Directions are attached. Do NOT put the address into your gps – you will end up across town. Feel free to call any of our phone numbers if you get lost coming in. When the date gets closer we can all work on an agenda to make sure we have everyone's topics. We look forward to a productive meeting.

Carrie

September 11 it is. I sent everyone a notice.

Thanks

Anne

**Subject:** September LCP Meeting

Carrie

All the dates that were proposed for the September meeting are still fine.

As we discussed, the NJDEP would like Ashland to make a presentation of the FS alternatives and discuss the pros and cons of each. A brief summary of the site history and distribution of contamination in the soil and ground water should be included since everyone may not be familiar with the site. The NJDEP can discuss the Class IIIB criteria, if necessary. Also, there should be a discussion of any specific issues related to agency comments that Ashland has received.

Let me know if you have any other issues.

Thanks

Anne

**Directions to ISP Environmental Services Inc. Site, Linden, NJ**

4000 Road to Grasselli

Linden, NJ 07036

**From New Jersey Turnpike:**

Exit the Turnpike at Exit 13, stay to the right, pay toll, and follow signs for Route 1 South/Linden. There is about a  $\frac{3}{4}$  to 1 mile wide open access road after the sign and prior to actually getting on to Route 1 – this access road partially circles the Bayway Refinery. Stay on Route 1 south to the 4<sup>th</sup> traffic light – South Wood Avenue. Make a left onto South Wood Avenue (there is an Exxon Station and Shell Station on opposite corners of the intersection). Stay on South Wood Avenue for 1  $\frac{1}{2}$  to 2 miles, follow bridge over New Jersey Turnpike then make 1<sup>st</sup> left immediately after the bridge. Follow the curved road to the ISP entrance (on right side). Pass through gate past guard house, go left of the truck scale and follow road curving left over RR tracks to building.

**Alternate Turnpike Directions:**

Exit the Turnpike at Exit 12, make a right at Roosevelt Avenue (later becomes Randolph Avenue) and continue to the end. Make a right and continue about  $\frac{1}{4}$  to  $\frac{1}{2}$  mile – follow signs to enter Route 1 North. Continue on Route 1 North – pass Home Depot on right. At the 2<sup>nd</sup> traffic light turn right on South Wood Avenue (Shell Station on the corner) – then follow directions above.

**From Route 287:**

Take Route 287 South to Route 1 North. Continue several miles north on Route 1, you will pass Merck (Rahway facility) on your left, continue into Linden – you will pass Home Depot on the right – at the second light turn right on to South Wood Avenue (Shell Station on the corner) – then follow directions above.
